

Horse Barn For Rent In Tewksbury

6 stalls with paddocks, riding arena, three pastures with running water, and run in sheds.

Great barn for someone looking for extra stalls, extra pasture or a wonderful set-up for a small horse training, boarding facility, or sales. Direct access to the Tewksbury Trail system, no need to trailer.

This is a Private facility on our property with a 6 stall barn. Barn includes one tack room with saddle racks, water, electric, etc. Four of the Stalls have a full grated window in each stall with a small paddock walk out, two of the stalls do not have grates but can be converted into one large stall for a brood mare. The stalls have rubber mats on top of the foundation. Stalls have hay racks and hooks for water buckets.

Barn has full electric throughout, and water. There is a hay loft and a grain storage area, or it can be used for farm equipment. Tractor is available for use on property. We have an outdoor fenced riding arena with seating. We have a few paddocks, different sizes. We have water access throughout and around all paddocks and one of the pastures, as well as electric outlets outside some of the paddocks and one pasture. This is a great opportunity if you have your own horse business, or want to do horse training, sales, boarding, or to add some extra space to your local farm!!

We are asking for \$1,200 month rent which includes full use of all of the above, but are willing and open to discuss all options, and other opportunities. Renter must carry their own insurance (proof required), and we will be doing a background/credit check. This is a GREAT opportunity for the right person! Please contact Caitlin: caitlinfilomena@me.com for more information.
